### **Practice Areas**

Product Liability Litigation

Premises Liability

Catastrophic Injury & Wrongful Death Defense

### **Overview**

Noel Capps is a trusted advisor who is routinely called upon to defend the insureds of many of the nation's largest insurance companies in high-exposure matters. Noel is a proactive and creative litigator with a history of success in devising legal strategies on behalf of a diverse group of clients in multiple industries, including product manufacturers and premises and business owners facing catastrophic injury and wrongful death claims. He enjoys developing an

in-depth understanding of the nuances of the businesses he represents and he uses his experience to benefit clients and insurers across the country. Noel's courtroom experience, expertise in all aspects of pretrial practice, and client commitment results in case-specific and creative legal strategies aimed at both minimizing exposure and business disruption.

Noel offers clients world-class legal representation with superb service and unmatched insight into their challenges. Noel earned a bachelor's degree from the University of Kansas and received a law degree with honors from Washburn University.
